13 on July 16, 2018 at 3:30 pm. We discussed the basis and substance of PVA's forthcoming
14 motion for summary judgment regarding the statute of limitations and partial summary
15 judgment regarding plaintiff's failure to warn claims and strict products liability cause of
16 action. At the conclusion of this call, the parties were unable to reach an agreement to
17 avoid filing any portion of PVA's motion for summary judgment.

19 reference or required redactions, the attached documents submitted with this motion,

24 on May 3, 2017. This Court's scheduling conference was held on or about July 10, 2017.
25 For the last 12 months before PVA's motion for summary judgment was filed, there has
26 been adequate time to conduct discovery relevant to the issues in this motion. Since then,
27 the parties have made initial and supplemental written disclosures and engaged in

substantial written discovery and document subpoenas served upon third parties including SpaceX, plaintiffs' workers' compensation attorneys and numerous medical providers.

60. I declare under penalty of perjury under the laws of the United States of America that the foregoing facts are true and correct. Executed on August 24, 2018 in Emeryville, California.
